Leicestershire County Council, Road Safety Education Team will provide the prizes for the winners of this competition. Please make sure you contact us via the RoadSafety@leics.gov.uk email address in a timely manner so we can send you the prizes out. All we ask is that we can have the picture of the winning items sent via email so we can celebrate the children on our social media page. Please let us know if you would like us to do this anonymously or provide winners details.
