

JRSO

Summer Junior Road Safety

We are launching our final Road Safety competition of the year. This is for those who will be year 5 and 6 students in September 2025. Those wish to become a Junior Road Safety Officer need to **write a letter** explaining why they should be the next JRSO.

Tell the school what **skills** you have, the **goals** you have and ways you could possibly **achieve** your goals.

Two winners will be picked by staff and students at their school.

Each of the winners will get a **prize**.

Competition closes June 1st. Winners announced by Thursday 30th June.

Leicestershire County Council, Road Safety Education Team will provide the prizes for the winners of this competition. Please make sure you contact us via the RoadSafety@leics.gov.uk email address in a timely manner so we can send you the prizes out. All we ask is that we can have the picture of the winning items sent via email so we can celebrate the children on our social media page. Please let us know if you would like us to do this anonymously or provide winners details.
