

Year 4's Road Safety Mission

Year 4's Road Safety Mission

Our Mission:

To recall - **The Green Cross Code**;
how to cross, where to cross, and
when to cross.

What is Road Safety?

- Road safety helps to keep everyone who uses the road safe and stops us from getting hurt.
- It is important to know how to behave when we are near the road and that's what we are going to learn today.

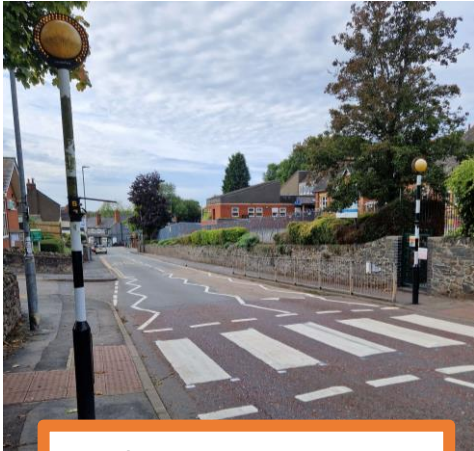

Mission 2:
What are
the 5
types of
crossings
we have
learnt?

1

Zebra Crossing

5

Underpass

3

Puffin Crossing

2

Toucan Crossing

&

4

Overpass

School Crossing Patrol

Now you know
how to cross and
where to cross,
BUT do you know
when to cross....

Dear Year 4
children,
your task is
to watch
this video...

Watch closely ...

speed matters
with Maddie Moate

All these factors mean children are unable to analyse the information around them quickly enough, to decide if they should cross a road.

Therefore, knowing how and where to cross, means you can make better judgements about the road and make sure we **cross like a boss!**

Mission 3:
**Tell your
grown-ups
at home
what you
have learnt
today.**

How to cross.
Where to cross.
Cross like a **BOSS!**

Thank you!
