

Supporting Children in Care

All children who are currently in care and attend your setting are eligible to receive the Early Years Pupil Premium. The following sets out how EYPP monies can be claimed for your setting

Increased 1:1 key person support

Small group activities

More time to prepare personalised resources for activities

Attachment training for staff

Pool resources. Join up with other settings to access training

More time to meet parent and carers to share ideas to support their child

Communication and Language training for all staff

Provide enhanced opportunities for children
