### **BOOK NOW**

We have produced a [full list](#) of courses, with details of course name, when running, venue details and course code. You will need these details before you book.

Descriptions of courses, target audience and length of course is detailed alphabetically in this [booklet](#).

In January we will be moving our training courses onto the Leicestershire Traded Services site. Full details and guidelines will be produced to enable you to log on to the site and search for the courses.

This will be a two part change where we move all courses onto their own individual pages but keep the new booking form above. Later on in the year we will be migrating the booking form to the traded services booking platform.
