

Application to receive tenders – short-term contracts

Please note that only those operators who have been accepted on to our tendered Framework Agreements can generally operate passenger transport services for Leicestershire County Council. If you have already been accepted onto one of these Frameworks (bus or taxi) you do not need to fill in this form. However, we also tender separately for local bus services, emergency and/or short term bus and taxi contracts to other operators. This form should be completed by bus and taxi operators who are interested in tendering for those types of passenger transport services provided by authority. Please note that the Authority will seek to reassure itself that potential contractors can meet our specified standards before any contracts are offered. Please ensure that the banking details form (attached at the end of this form) is completed. We are now unable to set you up as an operator without this information.

Tender areas

The map below shows the tender areas that we have divided the county into. Please note that these are approximate geographic areas and do **NOT** correspond with the district boundaries. We may also send you tender details of services in other areas, especially when near to or across one of the boundaries shown.

We frequently provide transport to and from other locations that are out-of-county, in these cases we will send tenders to those companies that have expressed an interest in the nearest area in Leicestershire. We also welcome applications from companies based in out-of-county locations who are interested in working for Leicestershire County Council.
