	<p><i>review by the LA and arrangements for a different LA to conduct either a second external moderation visit or a review of evidence in their appeals process”</i></p> <p><i>“Schools must provide evidence to the LA to support any claim before it is processed. The evidence can only be based on that seen by the external moderator during the LA external moderation visit.”</i></p>	<p>or in exceptional circumstances (for example if the HT is called away on an urgent safeguarding matter), within 24 hours.</p> <p>LA will not accept data unless validated by LA external moderators and agreed.</p>
Submission of data	<p><i>“STA does not require LAs to ask schools for pupil data in advance of an external moderation visit.”</i></p>	<p>Leicestershire will not ask schools to submit their information in advance of a moderation visit. The focus at the visit will be on evidence of the learning of the children as provided by the school.</p>
Number of moderators	<p><i>“In the majority of cases, we would expect only one LA external moderator per visit. If the school has a large cohort, for example, or the LA external moderator is being quality assured, we would expect additional LA external moderators to take part in the visit. Where applicable, the school must be made aware of this in advance of the visit by the LA.”</i></p>	<p>Schools will meet their moderator(s) face to face at the meet the moderator events, and will find out if their school is being moderated by one or two moderators at that time.</p> <p>Leicestershire will send two moderators if:</p> <ul style="list-style-type: none"> • The cohort is two form entry or more; • The moderator is newly recruited, in which case shadow and paired visits will form part of their induction training. • All moderators will have a quality assurance visit. These will be allocated by the moderation manager after the meet the moderator events. If this applies to your school, the moderator will telephone you to communicate this prior to the visit.
Selection of moderation sample	<p><i>“The sample of pupils chosen by the LA must include all standards awarded within the TA frameworks across the cohort. This does not include pupils working within the pre-key stage standards.”</i></p>	<p>The sample of pupils to be moderated will be selected by the moderator on the day of the visit.</p> <p>In KS1, pupils to be moderated for reading will be selected first and moderated last, which gives schools the opportunity to record pupils’ reading on iPads or similar if they wish. Video evidence can provide excellent evidence for moderation, but is not a requirement.</p>

<p>Exemplification</p>	<p><i>“LAs may refer to the exemplification materials if guidance is required when undertaking an external moderation visit.”</i></p>	<p>Leicestershire LA moderators will refer to national exemplification during visits. This supports consistency of judgements.</p>
<p>Re-moderation and additional evidence</p>	<p><i>“At the time of the external moderation visit, there may be pupils who haven’t met a small number of the ‘pupil can’ statements. If the school and the LA external moderators agree that these pupils will be able to consistently demonstrate the relevant knowledge or skills after the external moderation visit, but before the deadline for TA submission of Tuesday 25th June 2019, the LA can agree to accept additional evidence for the pupils in order to validate the proposed standard.”</i></p>	<p>The decision to accept additional evidence will be agreed between the moderator and school, and will take into account:</p> <ul style="list-style-type: none"> • the ability of the pupil • the difficulty of the ‘pupil can’ statement • the time of the visit in the moderation window <p>All additional evidence which is being re-moderated by the LA must be received by the moderation manager no later than Tuesday 25th June 2019.</p>
