

## Contact Details

To contact the **Local Authority Community Infection Prevention and Control Service** telephone **0116 305 0705**.

A member of the Business Support Team will answer your call and take a brief message. The information will then be passed onto the infection prevention and control service who will telephone you as soon as possible.

Alternatively email the service on **[infection@leics.gov.uk](mailto:infection@leics.gov.uk)**

This service is available Monday to Friday 08.30 - 16.30.
