### **Childminder Pop up Event [Book Now](#)**

**Beaumanor Hall. Saturday 17 November. 9.00am until 1pm**

After the success of the last two Childminder pop up events we will be running another event with a focus this time that will be based around the concept of school readiness. The event will explore how childminders can support children and their families to be 'child ready' and 'family ready' for school.

You will have the opportunity to hear Ben Kingstone- Hughes deliver a keynote speech and participate in one of his interactive workshops. There will also be another workshop to attend and the opportunity to network with other childminders.

### **Leading a Committee Run Setting (7052) [Book Now](#)**

**DBS Offices Glenfield. Saturday 27 October. 9.30am – 12.30pm**

The summer term sees a good number of resignations and new appointments for pre-school committees. The Service has been working with the PLA to develop a workshop aimed at leaders and committee members.

This workshop will be particularly useful if you are looking to recruit a new committee member to take on one of the main roles. We will discuss what the legal obligations of Committee Members are, what the leader and chair's role and relationship should be like, what should be discussed at the leader's supervision and appraisal meetings and what are the key Ofsted issues with committee run settings.

We will look into alternative models if you are unable to recruit a full committee and there is information around safeguarding and how committees need to ensure safe practice as well as an overview of business planning.
