Primary

There are 35 Primary Schools in Harborough District, 27 are Academies and 8 are LA maintained.

Secondary and Post 16

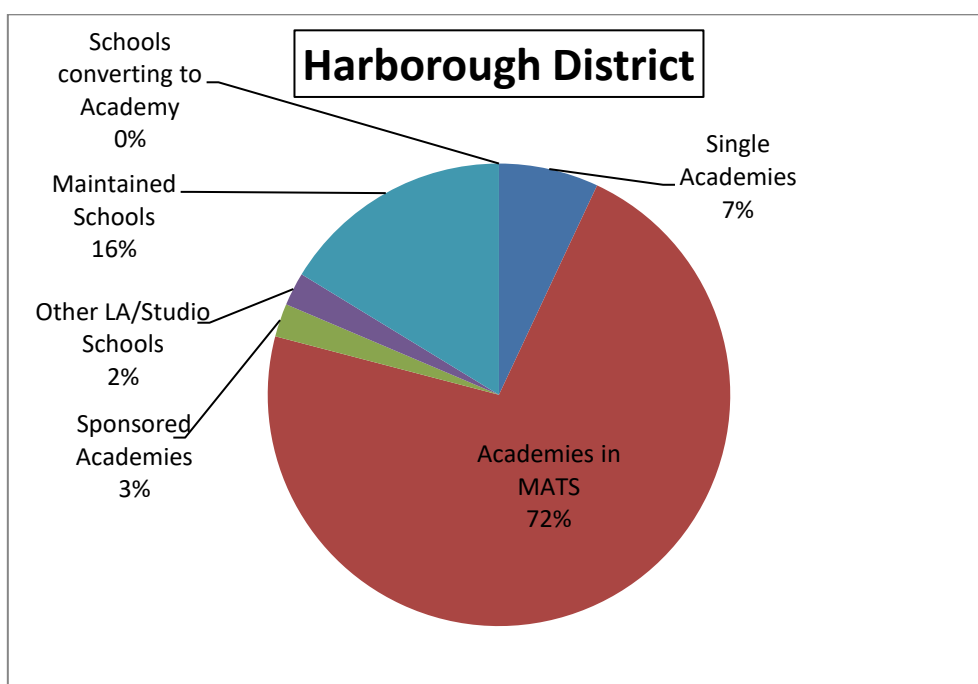

There are 6 secondary Schools in the district all of which are Academies.

Of the 6 Secondary schools in the district, 4 are 11-16 and 2 are 11-19.

The 14-19 Studio School in Lutterworth has now closed.

Special

There are no special schools within Harborough District.

Pupil Places - Planned Housing Growth

Planning Permissions have been granted for a 1,514 dwelling Sustainable Development Area (SDA) at Airfield Farm in Market Harborough. The development is split between four housebuilding companies. The first housing site is now advanced (Lubenham Hill) whilst building has now commenced on the main Airfield Farm development. The first phase reserved matters have also been approved for the third site, with phase two currently submitted. A site and funding has been safeguarded for a new primary school on this development.

Planning applications for significant development across the district continued to be received, in advance of the new Local Plan which has recently been adopted.

Particular applications have been received, and a number have been approved, around Market Harborough/Great Bowden, Kibworth, Houghton-on-the-Hill, Fleckney, Great Glen and Lutterworth. The Overstone Park development in Market Harborough has been approved and a site and financial contribution for a new primary school on the development have been secured.

We are actively engaged with the LPA regarding the recently adopted Local Plan and educational infrastructure required from the large scale developments at Scraptoft North and Lutterworth that are allocated within the Plan.

The primary forecast capacity overall in Harborough is stable without housing gain, however funding and sites will be secured as a result of the additional houses to be constructed within the SDAs and funding continues to be sought to expand schools in areas of development where appropriate.

Overall a total of 618 additional primary places have been provided in Harborough District over the last four years.

2015/16	2016/17	2017/18	2018/19
140 places	315 places	118 places	45 places

Work is now complete to increase the capacity of Farndon Fields Primary in Market Harborough from 210 to 420 places.

Schemes to expand primary capacity at Great Glen, and Thurnby Fernvale to address recent and forthcoming developments are currently working their way through the planning process, whilst projects in Fleckney and Broughton Astley are currently in the design stage.

We are also in conversation regarding the expansion of Gilmorton primary.

Forecasting

Primary

Overall, the underlying forecasts for Primary education across the district are stable. However, significant housing developments across the district increase the forecasts beyond current capacity in some schools. Plans are being drawn up to address these issues, largely funded through S106 agreements held against these developments.

Secondary

The forecasts for Secondary education are also largely stable, with increasing deficits of pupils forecast in areas of significant approved housing developments. The LA is actively engaged in monitoring these housing developments with a view to engaging with the Academies to increase capacity at the appropriate time.

S106 monies are available in Market Harborough for Secondary capacity expansion and we intend to invite proposals for the use of this money from Robert Smyth and Welland Park during the new term.

Due to the closure of the Sir Frank Whittle Studio School, Secondary capacity in Lutterworth is under review and conversations are ongoing with Lutterworth College and the Regional School Commissioner's office regarding capacity going forward.

Forecasts for The Kibworth School include significant housing gains. The timing of S106 contributions will drive expansion at the school along with progress through recent Ofsted issues and their improvement journey.

The forecasts for Thomas Estley suggest limited growth and discussions will occur in the new term regarding suitable expansion at the school.

First Time Admissions 2019

At National Offer Day on 16th April 2019 there were 20 Harborough children who had no offer of a school place. Of these 20 children, 15 parents had only stated one preference and 12 parents did not put the catchment school on the application form.

Harborough District as at 20/05/2019 has 1,146 places available for First Time Admission (FTA) in September 2019. 1,015 applications were received of which 957 were from children living in the District. A total of 999 places have been allocated leaving a surplus of 147 places.

Lutterworth Sherrier CE Primary School is the most popular school and was oversubscribed by 45 applications whilst Market Harborough CE Academy is the most under-subscribed and had on offer date 18 spare places. As expected most children who secured a place did so under the catchment criterion. Tugby CE PS is a small rural school and on offer day only secured 3 children and has 12 spaces remaining.

Secondary Admissions 2019

At National Offer Day on 1st March 2019 there were 8 children who had no offer of a school place. Of these 8 children, 7 parents had only stated one preference and 4 parents did not state the catchment school as a preference.

Both Lutterworth High and Lutterworth College were oversubscribed on national offer day for the first time in several years. In Market Harborough, both Welland Park Academy and Robert Smyth College did not fill at offer day which is unusual, particularly for Welland Park Academy.

Following a proposal to the Secretary of State and a subsequent 'listening period', the Sir Frank Whittle Studio School in Lutterworth has been given consent to close on viability grounds. This will remove some secondary/post 16 capacity from the area in the short term. Conversations are ongoing regarding the future use of the Sir Frank Whittle Studio School building.

Leicestershire

Leicestershire County Council has provided an additional 154 new First Time Admission (FTA) places for September 2019 across the County and will be providing a further 1,102 primary places from the 2019/20 Capital programme.

There has been a slight decrease in the percentage of applicants obtaining their first preference for September 2019 from 92.8% to 90.3% this year.

New Admissions Policy

The Leicestershire Admissions Policy is required to comply with the National School Admissions Code, last revised in December 2014. The LA policy applies to all Maintained Schools. Academies are their own admissions authority so have their own policy (some follow the Leicestershire model but others do not).

The LA Admissions Policy was revised in 2018 at which time it was amended so that at the point of first time admission and secondary transfers, if there were more requests for in-catchment children than the admission number (AN), the AN would not be exceeded, except in exceptional circumstances.

All admitting authorities are awaiting new National Admissions and Appeals Codes, as the current ones are overdue a review (Admission 2014, Appeals 2012). The DfE have indicated no review is likely until after Brexit.

Leicestershire will this year be consulting on its admissions policy; criteria and a catchment boundary change affecting Whetstone Badgerbrook Primary School, the Blaby/Countesthorpe area and the Ashby area. The catchment change is to future proof the pressure on Whetstone Badgerbrook Primary School, Countesthorpe Greenfield Primary School and to amend catchment areas in Ashby to include the new primary school. The LA's consultation will be launched in the Autumn and the changes will come into force for school admissions in Autumn 2021.

The policy in general has also been refreshed, for example removing the social and domestic oversubscription criteria and faith criterion to bring our criteria in-line with national trends.

All academies as their own admitting authorities must also adhere to running a formal consultation to change their admissions policy and arrangements. Many have consulted and moved away from the LA's admissions model. However there are issues arising with academies having outdated policies and not having their admissions policy published on the school website. These academies are then challenged to ensure compliance to avoid the risk of a school adjudicator investigation.

SEND Provision

There is increasing demand for additional SEND places particularly in respect of Communication and Interaction (C&I) and Social Emotional Mental Health (SEMH) Needs.

There is also a specific growth around post 16 provision. The most recent forecast of demand anticipates a 22% growth in pupil places required over the next 5 years.

To meet the demand for places the LA has implemented the High Needs Block Development Plan, approved by Cabinet 29th March 2019.

The plan will enable over the next few years the development of: -

- 10 new units for SEMH Primary /Secondary
- 5 new units for C & I
- Expansion of all 6 existing special schools
- Development of a new C & I school in Barwell
- Development of 2 SEMH free schools
- And, longer term, potentially a new area special school.

To deliver the above requires a substantial capital programme (c£30M) and complex changes in the organisation/governance arrangements of schools. All work is currently on track to enable the opening of the first units in 2019.

School Name	Type of School	Type of Provision	Number of additional places being provided	Who Delivers	Type of Work	Building Proposal
