Maths CPD for Non-Specialists

TSST in Mathematics is ideal for any teacher who wishes to improve their subject knowledge. If you are a 'non-specialist' who has recently started to teach Maths, or you will be starting to teach it in the future, or if you are an NQT wanting specialist support then this programme is suitable for you.

Jan Parry, a Professional Development Accredited Lead by the NCETM, will run six sessions to support your knowledge and development

Participants will have access to further online support materials provided by The Centre for Innovation in Mathematics Teaching in conjunction with Plymouth University.

Participants may also gain a Certificate in The Mastery of Mathematics by completing an optional Masters Level 30 credit module

Programme dates are as follows:

Monday 26th November 2018

Friday 1st February

Monday 4th March 2019

Monday 1st April 2019

Wednesday 10th April 2019

Thursday 23rd May 2019

This programme is fully funded

To book your place please complete the booking form and email to both:
