1. All dimensions are in millimetres unless otherwise shown.
2. Foundation to be constructed in Class C10 concrete.
3. The top 70mm of the excavation to be reinstated in materials corresponding to the ground surrounding the foundation or as specified by the Engineer.
4. Posts, base plates and post caps to be in accordance with Leicestershire County Council specification.
5. Rectangular posts should be considered on single post signs in urban areas where they may be an issue with vandalism (sign rotation). Rectangular posts may also be beneficial for the erection of signs in footways/cycleways to mitigate restrictions to the pedestrians and cyclists see Drg No SD/12/3.
