

Jubilee Square Ice Rink

Give your students a 'real ice' skating experience this Christmas.

Jubilee Square Ice Rink boasts a real ice rink that's 40 x 17 metres – and this year there'll be a brand new feature for skaters to enjoy. The popular attraction will have an extra dimension, with an outdoor section. The ice rink is suitable for children in Year 1 and upwards. Skate aids are available for younger skaters to hire, making the ice rink safe and fun for children of all levels of ability.
