Human Resources

Single Central Record (SCR) for governors

The session will take you through the key elements of a single central record.

Outline

This workshop will provide governors with a comprehensive understanding of their responsibility for ensuring the SCR is compliant with relevant legislation, including Keeping Children Safe in Education document and Ofsted expectations.

Description

Programme

- Why have a SCR?
- Safer Recruitment and the SCR; Whose responsibility is it?
- The role of the Safeguarding Governor
- What should be recorded on a SCR?
- Retention of relevant documentation
- Q & A session

Outcome

After this course governors should be knowledgeable and able to fulfil their responsibilities for ensuring their school have accurate and robust processes in place to comply with safer recruitment and related legislation.
