Word Study Spelling: Teach Spelling using Word Study - Our programme looks at the research behind the teaching of spelling and will show you how you can use this to support children's learning. In Word Study lessons, pupils are taught skills which enable them to learn how to learn about spelling, rather than remembering lists. They are then supported in using the words they've learned to spell in a variety of contexts, providing vocabulary enrichment activities and developing skills which complement reading, writing and grammar teaching. We share a detailed programme of study to follow and will give you plans and resources for teaching. There will be lots of opportunity to work collaboratively with others, sharing ideas to make the teaching of spelling work in a practical way in your own classroom. This will be held at Kibworth Grammar School on Wednesday afternoons 4th, 18th March and 1st, 22nd April - 1.30pm - 3.30pm.

Cost: £200 per person for all 4 afternoon sessions. Click [here](#) to book your place.
