CAMHS Forums

Contact: Jo Robotham or Jo Ravenhill, TELA Teaching School

Email: tela@thomasestley.org.uk

We are delighted to offer in partnership with CAMHS a number of forums delivered by a member of the CAMHS team, with input from other mental health practitioners. The forums will be based on the children in your school and will include an opportunity to discuss families in confidence to apply the principles to real situations and ensure that everything discussed is practicable and useful.

Upcoming forums are;

11 MARCH

AUTISM AND ANXIETY—IS THIS A GAP IN SERVICES?

In this session real scenarios will be discussed and action plans put together.

29 APRIL

CHILDREN WHO ARE LOW

This session will allow participants to discuss children for whom they think is a concern, offering mental health advice and action plans.

Cost: TELA members—£27 a session / Non TELA members—£40 a session

Venue: TELA @ Thomas Estley Community College LE9 6PT

Innovative Curriculum Thinking

Contact: Jo Robotham or Jo Ravenhill, TELA Teaching School

Email: tela@thomasestley.org.uk

Using a research and evidence-based approach to constructing and implementing a curriculum that is right for your school. This seminar is designed for senior school leaders at secondary level and will consider:
