

## **Health careers' free new literature, HS2 free resources, ICAEW (accounting) competition (closes March 31)**

Dear schools and colleges,

Please kindly see below, three offers to better inform young people about areas of work linked to HS2, finance and accounting, and health careers:

**HS2 free resources (links to rail, engineering, transport, infrastructure)** HS2 have now online resources available for schools to use, with different resources for various age groups. The online resources are all on their website: [www.hs2.org.uk/education](http://www.hs2.org.uk/education). I've also attached a summary guide.

**Institute of Chartered Accountants in England and Wales competition for ages 16-17.** BASE is ICAEW's free national business and accounting competition for 16-17 year olds across the UK. An exciting experience where students take part in team challenges; giving them an understanding of what it's like to be an ICAEW Chartered Accountant whilst developing their key employability skills. **Closes March 31<sup>st</sup> 2020.** Find out more here: <https://careers.icaew.com/campaigns/base-competition/bring-a-team-to-base>

# 350 Careers One NHS Your Future

*With over 200,000 copies ordered every year, we know how much you need free NHS careers resources. That's why we're excited to show you our new set of materials to better support your work and those considering their career options!*

*After speaking to a variety of people looking at their career options, including students*

and career changers, we discovered a need to bust some myths about working in the NHS, such as you need a degree and you must work directly with patients to make a difference.

Fresh off the press, our bright new postcards and booklet are designed to challenge some of these myths while offering insights into the huge range of careers on offer.

Feel happier in front of a screen than a person?

Hand on heart. Have you made a difference at work today?

15 inspirational postcards

Our new eye-catching postcards aim to bust the myths about NHS careers and open people's eyes to what they can do. To help you choose the right postcards for your audience, we offer a set for school and college students, university students and career changers.

 **Take a look at the postcards on offer**

New booklet

350 Careers, One NHS, Your Future - our new booklet - is designed to help you inspire people to consider an NHS career, whatever stage they're at in their career. It offers information on what it's like to work in the NHS and looks at some of the 350 different careers available.

**Check it out** 

350 Careers, One NHS, **Your Future,**

We're not what you think

All materials are free to order by calling us on **0345 60 60 655** or emailing [advice@healthcareers.nhs.uk](mailto:advice@healthcareers.nhs.uk). Because of limited supplies, we are only able to offer 150 copies of the booklet and 30 of each of the postcards per order.

We know that people want to feel inspired, whatever stage of their career they're at, and hope these materials help you to inspire people into an NHS career!

All the best,

The Health Careers Team
